SEFR CaaS-Caravan Truck Convoy

CaaS Nordic association

CaaS Nordic promotes Corridor as a Service expertise, data sharing and living lab activities in regional and international cooperation.

The purpose of the non-profit association is to promote the emergence of an international logistics hub in the Baltic Sea region for freight transport between the East and the West.

Finnish Business Finland orchestrating proposal

- Supply chain visibility
 - IoT goods tracking
 - Multimodal transport
 - APIs
 - LSPs
 - Authorities
 - Cities
 - Consignor/consignee
 - Digital services
 - Supply chain - production digital twin
 - Booking systems
 - Data sharing
 - DLT
 - Blockchain

AVOID BUBBLES IN SUPPLY CHAIN

Rethinking transport

27–30 April 2020

The logo for TRA 2020 Helsinki is centered in a large white circle. It features the text 'TRA 2020' in a bold, sans-serif font, with 'TRA' in green and '2020' in black. Below this, 'TRANSPORT RESEARCH ARENA' is written in a smaller, black, all-caps font. At the bottom of the circle, the word 'HELSINKI' is written in a large, bold, black, all-caps font. The background of the circle is composed of numerous thin, overlapping lines in various colors (blue, green, yellow, orange, red, pink, purple) that form a circular pattern.

What is TRA?

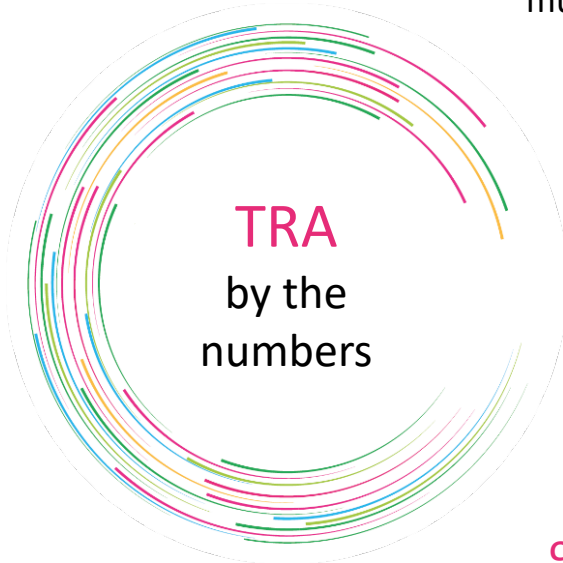

TRA is **THE** European Research and Technology Conference when it comes to Transport and Mobility, covering all transport modes and all aspects of mobility

TRA provides an arena for research, industry, public administration and politics to face major challenges and opportunities and to create new European solutions in transport and mobility

TRA gives visibility to both national and international transport research

TRA makes Europe's achievements in transport research and technology visible on a global scale

TRA participants will have the opportunity to exchange ideas about the conditions and business models for new technological solutions
